ABOUT PROCESS

Produced by FPSA, PROCESS EXPO is the leading trade show dedicated to bringing the latest technology and integrated solutions to all segments of the food and beverage industry. Processors gain a competitive advantage with the innovative technology on the show floor, where food processing and packaging experts demonstrate their machines and products. Both veterans and those new to food and beverage processing get training on food safety, trends, leadership, and more.

WHO EXHIBITS AT PROCESS EXPO?

Leading equipment suppliers across all sectors of the food industry will be on hand to showcase their solutions to help buyers more rapidly, efficiently, safely, and successfully create and bring food products to market and achieve real results. PROCESS EXPO is a proven, high-quality investment that yields exceptional value. Get ready to build brand awareness, generate leads, expand market share, and increase profits.

LEADING COMPANIES IN ATTENDANCE

Tyson Foods	Impossible Foods
Smithfield	Sargento Foods
Land O' Frost	Boar's Head
Kraft Heinz	General Mills
Nestle	Mars/ Wrigley
Kerry Group	Cargill
OSI Group	SC Johnson
PepsiCo	Rich Products
Hormel Foods	Amy's Kitchen

Here is what industry professionals said about their expo experience:

“The fact that you can see the product that you want to test— to see it in action—that’s really important to see it up close and personal.”

— Triple Sticks

“There are hundreds of manufacturers and thousands of processors, and everyone is coming together for the same goal of increasing production, profits, efficiency, and safety.”

— Milk Bank of the Western Great Lakes

WHO ATTENDS PROCESS EXPO?

Professionals from all segments of the global food and beverage industry attend the event in search of processing and packaging solutions. The most common job titles of attendees are in engineering, operations, production, R&D, marketing and sales, and corporate management. In addition, professionals working for contract manufacturers (co-packers) can build strong relationships with both processing partners and suppliers.
